GLOBAL NETWORK

TREND LEADER

ECO-FRIENDLY

GNT is the manufacturer & exporter of high-quality trims and accessories for all time wears to most of the branded labels and garment manufacturers around the world.

The company more specialized in trim materials for the men's wear & lady's wear (jackets, suits, dress pants) manufactures at factories under GNT flagship around different parts of Korea/China thus giving a free hand to offer the best prices in the market.

Our trained technicians control and monitor the quality at various levels further reducing your effort in checking and inspection of the goods. And, we have a constant focusing team in studying our trims to enhance the shape and look of your garment to be the highest level.

We expertise majorly in all kinds of linings and specialized package selection products which offers you the widest range of price selective trims for your garment thus saving your valued time and cost in sourcing and developing from different suppliers, therefore, assisting you in establishing a better business relationship with your clientele.

Our high concentration on exports has allowed us to diversify from the domestic market to the global market, and we can give an equal attention towards our prestigious clients.

CHARACTER
